at the airport

If you're travelling with checked baggage

- use our self-service kiosk to print your baggage tags
- tag your bags and drop them at the bag drop area
- go to the departure gate, with your boarding pass, for self-boarding

You are advised to keep all valuables, electronics, important documents, medication and money either with you, or in your carry-on baggage. Please ensure your belongings are packed suitably and there are no fragile items in your checked baggage.

Don't have any bags to check?

- go straight to the gate, with your boarding pass, for self-boarding
